COCO-CENTRIC PLEASE!

As you know Coco Fest is a celebration of all thing's coconut and the uses of this very versatile plant. We do allow for a few items that are **not** made of coconut but of your products must be 75% connected to the coconut and 25% other items, as we wish to showcase **more coconut centric items** as the event title suggests.

Please also note we will be adhering to all COVID-19 health and safety regulations, and you will need to have gloves, trash bags, hand sanitizers and spray to ensure anything touched is sanitized for the next person.
